

## About Me

A detail-oriented coding enthusiast, artist and designer with speciality in C, HTML, MS PowerPoint, and Ibis Paint.

I like to spend my time enhancing my skills and increasing my overall proficiency in various fields.

In addition to my professional attributes, my enthusiasm for playing video games and finding new music extends beyond the workplace.

I am excited about the opportunity to bring my skills and passion to your esteemed organization and contribute to its continued success. Let's connect and explore how my background aligns with the goals and values of your team.
